It's a great feeling when everything's sorted

Would you go to the dentist more regularly if it gave you more confidence in your smile and was affordable too?

Denplan Essentials can help to make this possible, saving you time and money. It's an easy way of keeping up the great habit of regular check-ups and hygiene treatments without worrying about unexpected bills. The plan includes extras too - like worldwide dental accident emergency cover in the UK* and abroad.

Spot issues & avoid them

Denplan Essentials covers you for check-ups, dental x-rays, hygiene treatment and expert advice from your dentist. This enables your dentist to spot and avoid complex and expensive dental problems before they happen. Your dentist has your interests at heart - and will also advise you on the best ways to keep your teeth in excellent condition.

Smile with greater confidence

Denplan Essentials can give you healthier teeth and gums. Hygiene treatment (scale and polish) is included, so you can be confident about your smile when socialising with family, friends and work colleagues. And if you want to go further, the plan includes, personal advice from your dentist about additional treatment options which may include tooth whitening.

Emergency cover is included

Denplan Essentials also provides cover for dental injuries and emergency treatment, whether in the UK* or on holiday abroad (see Supplementary Insurance details for this plan). Simply call our UK-based, 24-Hour Worldwide Dental Emergency Helpline: we'll put your mind at rest and help find you an appointment.

*Emergency treatment applies when more than 40 miles away from your dentist.

How it works

Denplan Essentials will be tailored to fit your needs:

- Your dentist will decide the number of check-ups, hygiene appointments and dental x-rays you are likely to need on an annual basis. Treatment is always at the discretion of the dentist
- Your dentist will then let you know your monthly fee to spread the cost of your ongoing routine care
- Your payment is collected by Denplan monthly by Direct Debit. A one-off registration fee of £15 is payable when you join
- You can save up to 15% on Family Group Discounts if one Direct Debit covers more than one Denplan patient registered at the same practice

Signing up is simple

It's not necessary to have a pre-assessment before joining Denplan Essentials. It's quick and easy to get started. Simply have a chat with your Denplan dentist and arrange an appointment.

The dentist will discuss your dental care with you and tailor a plan to fit your needs. They will ask you to sign a contract with them and complete an application form which is then sent to Denplan.

Further information, benefit limits, exclusions and full terms and conditions can be found in the Denplan Essentials Application and Membership Booklet.
